Lieutenant General Vernon A. Walters, USA  
Deputy Director of Central Intelligence  
Central Intelligence Agency  
Washington, D. C. 20505

Dear General Walters:

I am most appreciative that you have accepted the invitation of our current Attache Class to be their graduation speaker on 8 December 1972, at 1000 hours.

Approximately thirty-two students and their wives, as well as members of the Staff and Faculty of the School will be attending the ceremonies to be held in Renick Auditorium of the Defense Intelligence School. We all are looking forward to hearing your comments on both the Attache System and its contribution to the Intelligence Community and your own personal experiences.

I realize the demands on your time are great and, as such, I am doubly grateful that an officer of your stature continues to support our attache training in such an outstanding manner.

Sincerely,

*W. J. Furnas*
